

Cross Agency Priority Goal

Quarterly Progress Update

Job Creating Investment

Goal Leaders:

Jason Miller, National Economic Council;

Bruce Andrews, Deputy Secretary, Department of Commerce;

Heather Higginbottom, Deputy Secretary for Management and Resources,
Department of State

FY2015 Quarter 3

Overview

Goal Statement

- Improve federal investment tools and resources, while also increasing interagency coordination, to encourage foreign direct investment (FDI), spurring job growth.

Background and Challenges

- Competitor nations have mature, robust inward investment promotion programs at the national-level
- Misperceptions exist regarding the attractiveness of the U.S. as an investment destination
- No shared client relationship management system or IT tools that link inter-agency activities and client assistance efforts

Objectives

- Ensure federal agencies maintain a focus and allocate adequate resources towards increasing FDI into the U.S.
- Identify and take full advantage of investment leads, projects and opportunities in a timely manner
- Create a whole-of-government, one-stop-shop approach to assisting investors

Progress Update

Status Updates

- Since the beginning of FY 2015, SelectUSA assisted 1,308 clients towards the annual target of 1,600.
- SelectUSA leveraged over 70 major events in FY15 Q3 to promote the United States domestically and abroad, including the Hannover Messe, BIO International Conference, and Roadshows in Mexico and Greater China.
- In June 2015, International Trade Administration (ITA) deployed a new Customer Relationship Management (CRM) system that will allow more efficient tracking of SelectUSA's investment promotion activities.
- SelectUSA continues to communicate with economic development organizations (EDOs) as they actively pursue leads or deals under negotiation resulting from the 2015 SelectUSA Investment Summit.

Risks/Challenges

- Operational challenges related to the rapid growth and development of SelectUSA.
- Duration of time it takes and/or sensitivity related to announcing an investment success.
- Lack of clarity of roles and responsibilities between ITA and federal partner agencies.
- Inconsistent user adoption of CRM within ITA investment services.

Key Upcoming Milestones in Progress Over the Next Six Months

- Continue ongoing progress toward implementation of an Investment Advisory Committee (IAC) comprised of investors and EDOs.
- Identify key U.S. strengths and benefits to develop a multi-channel marketing strategy that will leverage the Interagency Investment Working Group (IIWG) and other private/public partners.
- Implement feasibility study to capture FDI data through new evaluations system and database.
- Announce the 2016 SelectUSA Investment Summit.

Progress Update (continued)

Platform for Promoting the United States:

- Trade Shows: BIO International Convention (June), the International Franchise Expo (June), Paris Air Show (June), Advanced Manufacturing Innovation Forum (June), Offshore Technology Conference (May), and Hannover Messe (April)
- Investment Seminars, Webinars, and Roundtables: Webinar on SelectUSA at India Road Show (June), Peruvian Consulate Webinar, Keidanren (June), Reservation Economic Summit 2015 (June), and Forum and Expo in Spain (May)
- Road Shows: Mexico Roadshow (May) and Greater China Roadshow (May)

SelectUSA Investment Client Deals Announced (Excerpts):

Following the 2015 Summit, three international firms have already confirmed they will establish business locations in Michigan (https://www.oakgov.com/news/Pages/pr_15_42.aspx) and Delaware (<http://www.delawareonline.com/story/money/2015/06/23/ab-group-packaging-opening-newark-2016/29170973/>).

- Promac, an Italian-based automotive supplier, plans to open its first North American facility in Troy. The company produces parts for many industries, including aviation, aerospace, energy, precision prototypes and complex machining.
- APAG Elektronik AG is a Zurich, Switzerland-based electronics design and manufacturing firm. The company confirmed plans to open a sales office in Troy in mid-2015 and is considering an electronics manufacturing facility in 2016.
- AB Group Packaging Inc., a 30-year-old paper bag and flexible packaging producer with plants in Ireland, Spain and the United Kingdom, will open its first U.S. plant in Delaware next year, where it will create 87 new full-time jobs.

2016 Summit Updates:

- 2016 SelectUSA Summit proposal was approved by the National Economic Council (NEC) and substantial progress has been made in the contracting process for this event.

Action Plan Summary (1)

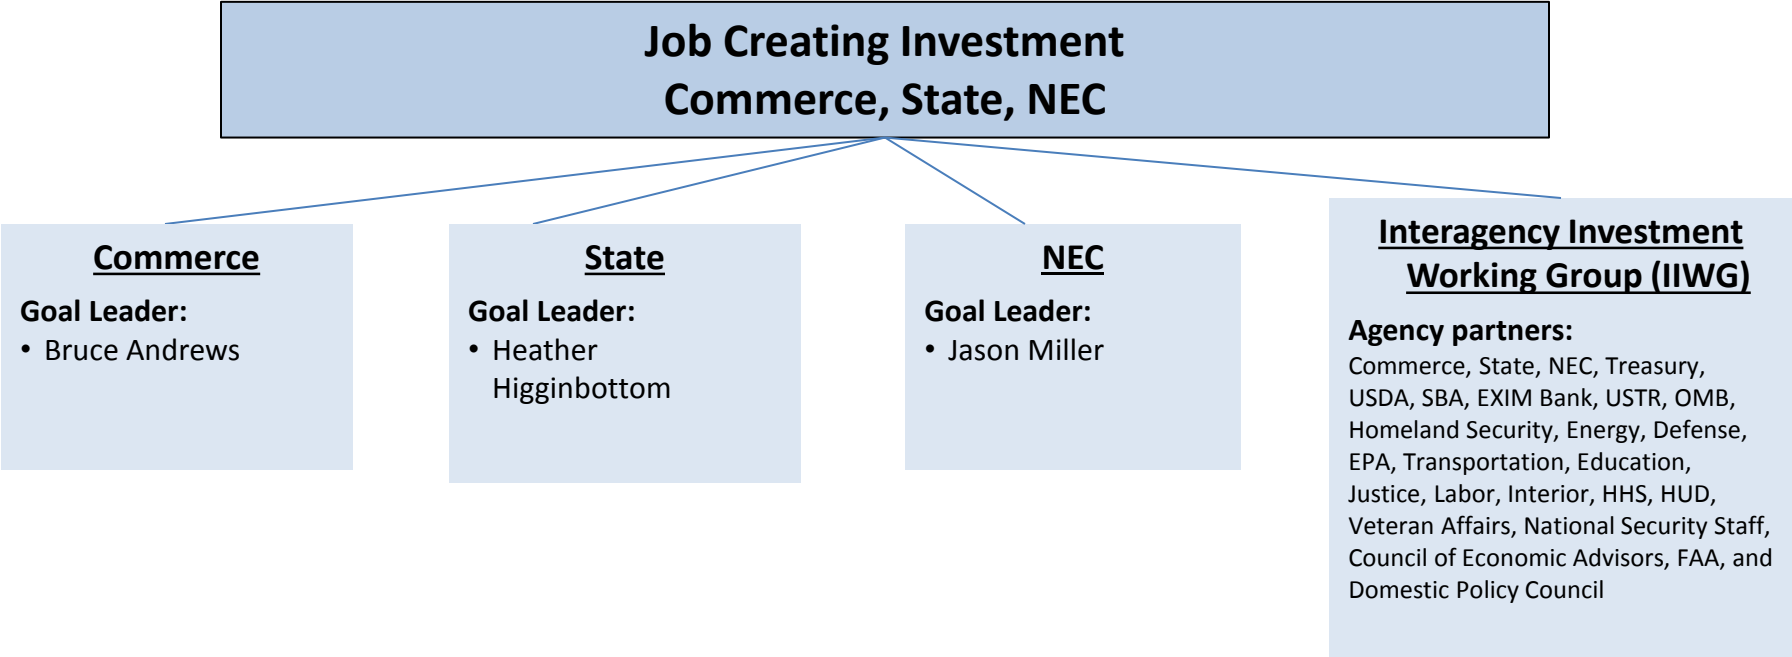

Sub-goal	Major Actions to Achieve Impact
Promote and market the U.S. as the premier investment destination	<ul style="list-style-type: none"> A. Strategically market key strengths and benefits for investing in the U.S. through multiple channels utilizing the IIWG and other strategic partners (e.g., commercial, economic, public affairs, USDA sections at posts, trade associations and multipliers, etc.) B. Conduct coordinated marketing, outreach and education to increase awareness of investment services, resources, and tools C. Execute key outreach events (e.g., Investment Summit, Investment road shows, Economic Development Forum, etc.) D. Develop a broad range of tools, to include internet based platforms, to promote the United States as the premier investment destination; address misconceptions about the U.S. business climate; and provide actionable information to clients E. Establish formal agreements with key public/private partners to enhance and leverage promotional efforts F. Establish a Federal Advisory Committee comprised of global CEOs to provide guidance and feedback
Improve federal services, tools and resources that facilitate inward investment	<ul style="list-style-type: none"> G. Conduct regular client needs assessment/focus groups to refine the suite of services and tools offered H. Enhance ombudsman, advocacy, counseling and other services for clients I. Facilitate access and improve quality of information on “how to invest in the United States” on a state-by-state basis J. Augment existing cluster mapping tools K. Provide databases on investment opportunities (e.g., projects, incentives, sites, etc.) L. Develop FDI attraction plan tools for U.S. EDOs as part of counseling services to facilitate their investment attraction efforts and share best practices

Action Plan Summary (2)

Sub-goal	Major Actions to Achieve Impact
<p>Improve and execute federal business processes that assist potential investors and economic development initiatives to attract, retain, expand, and reshore investment</p>	<ul style="list-style-type: none"> M. Develop and implement clear and consistent client identification, intake, management, and referral tools across agencies N. Develop and affect best practice standards for customer service throughout the investment lifecycle O. Implement a new platform for client management to support and streamline work flow and reporting P. Create a process for integrating program evaluation data, performance metrics, and investment policy into strategic program decisions Q. Optimize IIWG capability and leverage interagency teams to improve responsiveness to client needs
<p>Create a more attractive investment environment by identifying and initiating processes with appropriate agencies to address barriers and disincentives</p>	<ul style="list-style-type: none"> R. Establish client “feedback loops” that identify the most significant barriers/issues/trends/opportunities that can be addressed through federal action S. Establish/employ processes that leverage data-driven analysis to address barriers/issues/opportunities impacting the U.S. investment environment

Action Plan Summary (3)

Sub-goal	Key Performance Indicators
<ul style="list-style-type: none"> Promote and market the U.S. as the premier investment destination Improve federal services, tools and resources that facilitate inward investment Improve and execute federal business processes that assist potential investors and economic development initiatives to attract, retain, expand, and reshore investment Create a more attractive investment environment by identifying and initiating processes with appropriate agencies to address barriers and disincentives 	<p><u>Key Indicators</u></p> <ul style="list-style-type: none"> <i>Number of investment clients assisted</i> <i>Number of EDOs counseled</i> <p><u>Future Indicators</u></p> <ul style="list-style-type: none"> <i>Number of Investment Successes*</i> <i>Announced dollar value of investment success which SelectUSA helped facilitate*</i> <i>Number of U.S. jobs supported as a result of inward investment which SelectUSA helped facilitate*</i> <i>Percentage of clients that achieved their investment objectives**</i> <i>Response times or timeliness of USG response to client needs **</i> <i>Overall customer satisfaction (both quality and efficacy) with services provided**</i> <i>Improvement in investor perception of the U.S. as a premier investment destination***</i> <i>Impact of investment promotion activities***</i> <i>Number of top strategic barriers/issues/trends/opportunities identified impacting investment ***</i> <p>*For these indicators, SelectUSA is currently tracking and developing baseline data and trends in FY15. **For these indicators, methodologies for tracking and measuring will be developed and implemented over the course of FY 15-17. ***After careful consideration, the three Future Indicators previously under review will not be implemented during the FY15-17 CAP Goal period. New proposed Future Indicators are under development for the FY16-17 CAP Goal.</p>

Governance

The Goal Team will convene monthly to discuss progress of sub-goals and relevant milestones. Team members will meet as needed. SelectUSA will leverage IIWG members and associated meetings to encourage further progress of these goals. The Goal Team will report quarterly in alignment with CAP Goal reporting requirements and in conjunction with existing program reporting process so as to not duplicate efforts.

Work plan 1: Promote and market the United States as the premier investment destination

Purpose

- Increase inward investment by improving investment promotion and collaboration at the national level to drive economic growth and job creation in the United States
- Actively promote the United States to increase overall awareness and competitiveness of the U.S. as an investment destination
- Develop opportunities for enhanced collaboration and integration at the national level to drive economic growth

Barriers/Challenges

- Ensuring investment promotion remains a priority for federal partners
- Implementing and ensuring consistent messaging to stakeholders across federal agencies and partners
- Institutionalizing operational structures across federal agencies that are equipped with adequate resources and skills required to effectively execute the objectives of investment promotion and marketing
- Addressing foreign perspectives and misperceptions regarding the extent to which the U.S. is open, supportive and receptive to foreign investors

Milestone Summary

Key Milestones	Major Action(s) Supported (slides 5-6)	Milestone Due Date	Milestone status	Owner
Develop a multi-channel marketing strategy that will leverage the IIWG and other private/public partners	A, B	FY15 Q1	Complete	Commerce/ITA/SelectUSA
Engage overseas offices/Posts quarterly in key focus markets to assess progress	B, C, D	Ongoing Quarterly	Complete	SelectUSA
Develop a digital, online web presence and social media strategy that includes a range of tools and resources	A, D	FY15 Q3	Complete	ITA/SelectUSA/State
Establish an Investment Federal Advisory Committee	F	FY15 Q4*	Ongoing*	ITA/SelectUSA

*This milestone has been extended to the following fiscal year and is expected to be completed concurrently with the execution of the 2016 Investment Summit (FY16 Q3)

Work plan 2: Improve federal services, tools, and resources that facilitate inward investment

Purpose

- Through collaboration with federal partners, streamline and improve the efficiency of resources and effectiveness of federal services provided by leveraging individual agency strengths to maximize the impact of assistance while avoiding duplication of efforts
- Encourage the collective knowledge, resources and skills of federal agencies to optimize the assistance provided to potential inward investors
- Promote and foster innovation and business process improvement to continually provide improved and value-added services, tools, and resources that meet the current needs of clients

Barriers/Challenges

- Gaining buy-in and affecting change on EDOs to implement and support newly established tools and services targeting investment attraction
- Ability to meet threshold requirements for addressing issues regarding the legal requirements necessary to collect and share client information across federal agencies
- Ensuring collaboration at the state and local levels to address a range of interests and objectives that vary state-by-state while maintaining geographic neutrality

Milestone Summary

Key Milestones	Major Action(s) Supported (slides 5-6)	Milestone Due Date	Milestone status	Owner
Finalize methodology and approach for client needs assessment/focus groups for services, tools, and resources development/improvement	G	FY15 Q4	On Track	ITA/SelectUSA
Identify best practices of EDO investment promotion efforts	L	FY15 Q4	On Track	ITA/SelectUSA/EDA
Engage EDOs to provide state-by-state information and investment opportunities	I, K	FY15 Q2	Complete	SelectUSA/EDA

Work plan 3: Improve and execute federal business processes

Purpose

- Implement processes across federal partner agencies to ensure consistency, while also improving efficiency through improved processes in order to maximize the federal impact towards increasing inward investment

Barriers/Challenges

- Ability to meet the differing needs of federal partners in a timely manner to enable streamlined workflow and timely reporting of activities and results
- Ensuring the standardization of processes across agencies to ensure timely responses and consistent delivery to clients
- Defining, communicating and reporting investment success consistently across federal agencies and partners

Milestone Summary

Key Milestones	Major Action(s) Supported (slides 5-6)	Milestone Due Date	Milestone status	Owner
Implement a Commerce CRM platform through the International Trade Administration (ITA) that can allow participation by other federal agencies	N, O	FY15 Q4	At Risk*	Commerce/ITA/SelectUSA
Develop an evaluation methodology and system to streamline and integrate program and client data capture to improve analysis capabilities	P	FY15 Q4	On Track	ITA/SelectUSA
Identify IIWG priorities, objectives, capabilities, and strategic federal investment barriers to optimize client assistance	Q	FY15 Q4	Ongoing**	Commerce/SelectUSA/NEC
Evaluate effectiveness and impact of the Ombudsman and Advocacy processes towards meeting client objectives	M, N, P, Q	FY15 Q4	On Track	SelectUSA

*The CRM solution was fully implemented within ITA towards the end of Q3. As testing and acclimation to the solution continues, feasibility of expanding participation are still being evaluated to determine how to best expand access.

** Discussions concerning the IIWG priorities, objectives and capabilities were completed in FY15 Q1. Discussions about federal barriers to investment are ongoing.

Work plan 4: Create a more attractive investment environment

Purpose

- Identify and address barriers and disincentives that inhibit inward investment

Barriers/Challenges

- Ability to effectively address barriers may be limited due to lack of authority held by federal agencies (i.e., not within their control to affect)
- Barriers and disincentives may serve legitimate policy objectives, including protecting national security, and may have established domestic constituencies opposing reform

Milestone Summary

Key Milestones	Major Action(s) Supported (slides 5-6)	Milestone Due Date	Milestone status	Owner
Establish a process and framework by which to systematically gather and analyze ongoing client feedback to inform programmatic and strategic decision-making	R	FY15 Q4	On Track	Commerce/ ITA/SelectUSA/ State
Identify the most significant barriers for investors and the necessary actions to address them	R, S	FY15 Q4	On Track	Commerce/ ITA/SelectUSA/ State

Key indicators

Key Implementation Data

Key Indicators	Latest Data (YTD)	FY15 Annual Target	% of Target Achieved	FY16 Annual Target	Frequency
<i>Number of investment clients assisted</i>	1,308	1,600	82%	2,400	Monthly
<i>Number of EDOs counseled</i>	93	N/A	N/A	N/A	Monthly

Macroeconomic Data:

- The United States is both the largest recipient of FDI and the world's largest source of direct investment. In 2013, the stock of direct investment in the United States was valued at nearly \$2.8 trillion, equivalent to nearly 16.6 percent of U.S. gross domestic product.
- In 2013, U.S. subsidiaries of foreign firms invested \$236 billion in the U.S. economy, a 35 percent increase from 2012.

(Source: Bureau of Economic Analysis)

Future Indicators in Development:

- *Number of Investment Successes**
- *Announced dollar value of investment success which SelectUSA helped facilitate**
- *Number of U.S. jobs supported as a result of inward investment which SelectUSA helped facilitate**
- *Percentage of clients that achieved their investment objectives***
- *Response times or timeliness of USG response to client needs ***
- *Overall customer satisfaction (both quality and efficacy) with services provided***
- *Improvement in investor perception of the U.S. as a premier investment destination****
- *Impact of investment promotion activities****
- *Number of top strategic barriers/issues/trends/opportunities identified impacting investment ****

*For these indicators, SelectUSA is currently tracking and developing baseline data and trends in FY 15.

**For these indicators, methodologies for tracking and measuring will be developed and implemented over the course of FY 15-17.

***After careful consideration, the three Future Indicators previously under review will not be implemented during the FY15-17 CAP Goal period. New proposed Future Indicators are under development for the FY16-17 CAP Goal.
